Chairman's Message

A very special welcome! It gives me great pleasure to provide you with an overview of our Group of Companies within the pages of this brochure.

We have provided a brief look at each company and our services ranging from Accommodation, Transportation, Tours and Retail Destination Management Services, including the complete handling of Cruise Programmes and Destination Weddings. We also offer General Insurance and Retail Travel Services spanning the Caribbean.

We continue to actively spread our range of services throughout the Caribbean from the Bahamas in the North to Grenada in the South, in order to offer you the best quality service in each island. We have expanded our Hotel Group by taking on the Management of part of Almond Beach Village in 2014 and adding Anthurium Suites and additional facilities to Worthing Court Hotel in 2015. We have spread our wings even further afield with retail travel agencies in the United States of America.

Our success today has been achieved from my almost 40 years of experience, a young and enthusiastic management team, a very dedicated staff and our strong financial base.

We wish to thank all those companies and individuals who have supported us over the years and look forward to welcoming new partners and clients interested in our services.

Bernard A. Weatherhead J.P.
Chairman

One-Stop Convenience Shopping!

Barbados

iMart offers the ease of shopping for groceries, liquor, novelties, health care, toys and much more all in the same location, with fast and friendly service. We also offer one of the most extensive cosmetics sections on the island with brands such as Revlon, Maybelline, E.L.F, Black Opal and Milani, to name a few.

However, our interest in beauty care goes far beyond just providing beauty products, as we often host professional make-up artists from our cosmetic brands to familiarize customers with their beauty products through personal consultation and make-overs. Each iMart store also comes complete with a self serve deli - making it easy and convenient for you to shop and snack at the same time. Simply put, iMart aims to be your one-stop shop.

Adding to our one-stop shop concept, each iMart store offers a fully functioning pharmacy with experienced pharmacists for all your medical needs. Additionally, we offer two express pharmacies in Carlton Complex and Rubis Sunset Crest service station. Each iMart pharmacy accepts the Sagcor CariCare International Medical card, the Barbados Association of Retired Persons (BARP) card and honours the Barbados Drug Service programme. iMart also contributes to local healthcare by hosting Health Awareness events during which we provide free HIV, cholesterol, blood sugar and blood pressure testing.

iMart has also launched the iCare card which is designed to give customers added value to their iMart shopping experience. The iCare card is a loyalty programme offering its valued members the ability to save money by earning points which can be redeemed on any future iMart purchase.

SunTours Caribbean is one of the most established and broad-based Destination Management Companies (DMCs) in the Caribbean, with offices in Antigua, Barbados and St. Lucia. We also work very closely with destination management industry partners in Grenada, St. Vincent & the Grenadines, and Tobago to provide the highest quality representation services in the Caribbean.

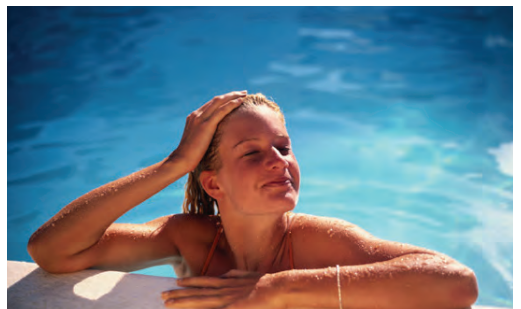

The company was established to facilitate our Tour Operator partners who have the need for destination management programs in a number of Caribbean islands. Due to our broad base of operations, we are able to offer Tour Operators the same destination management services in all of the islands we operate in. This is beneficial to Operators, ensuring that there is no need to make several contracts with different Destination Management Companies (DMCs) throughout the Caribbean. We are, of course, also happy to work with operators who only have a program into one of the islands we operate in.

At SunTours Caribbean we cater to your every need, and manage all aspects of your company's on-island business.

Our destination management services include, but are not limited to the following:

- Accommodation Bookings
- Airport Meet & Greet Services
